# Professional Clandestine Drug Lab Cleanup Services

*"When labs are not thoroughly cleaned, the health of people living in former labs may be harmed by chemicals left behind on walls and surfaces; in plumbing or heating fixtures."\**

*"The MN Department of Health recommends professional cleaning & testing of former lab sites..."\**

-MN Dept. of Health Web Site

\*For further information, see the MN Dept. of Health web site at [www.health.state.mn.us/divs/eh/meth](http://www.health.state.mn.us/divs/eh/meth)

## Bay West's commitment to you:
